
BUILDING SERVICES & OPERATIONS

The Transwestern Property Management Office is available to service all your tenant needs and offers a wide range of services. Questions and comments regarding any of the building services should be directed to the Property Management Office. We are here to assist you in any way possible. Transwestern should be your first call for any operational issues on site.

Our office is open Monday through Friday from 7:30am to 5:00pm.
Security is also available 24/7.

For building emergencies during business hours, please contact our office at 443.997.0680.

For building emergencies after hours, please contact Security at 443.997.0700. Security will dispatch the on-call engineer to respond to the emergency as well as alert the Property Management Team.

Note: After hours, phone calls to the Property Management Office are forwarded to Security, who will respond accordingly and alert us of your call.
